

Construction Site Supervision Level 4

Who is this qualification for?

This qualification is designed for construction site supervisors or assistant site managers.

Their duties will include controlling work progress against agreed programmes, maintaining systems for health, safety, welfare and environmental protection and allocating and monitoring the use of plant, equipment or machinery.

This qualification is the ideal route to gaining the Gold CSCS card and enabling access to work on bigger sites with larger organisations.

CADUK offer a unique fast-track route for this qualification which can enable experienced supervisors to complete this NVQ within less than one month.

This assessment is carried out through a combination of discussion with your NVQ assessor and the submission of workplace evidence (videos, photos and documents). Documentation will include a RAMS, toolbox talk, induction, progress report, plant allocation sheet, etc

There are five There are six pathways to the qualification: Building and Civil Engineering, Highways Maintenance and Repair, Residential Development, Conservation, Demolition, Tunnelling.

Is this qualification eligible for the CITB Grant?

Yes, CADUK are a CITB 'ATO' and this Level 4 NVQ is eligible for the CITB Short Period Qualification Grant scheme. This enables CITB registered companies to claim back **£1200** on completion of the qualification.

How can I tell if I would be eligible for this fast-track assessment?

Typically candidates will have 2+ years' experience as a Site Supervisor/Assistant Site Manager. Before enrolment you will have a profiling session over the phone with your NVQ assessor to determine whether or not you would be suitable for the fast track route.

How is this qualification assessed?

The whole assessment will be captured by photos and video recordings. You will be required to present various workplace documents to your assessor, including a RAMS, toolbox talk, induction, progress report, plant allocation sheet, etc. The knowledge-based element (i.e. the units of the qualification) will be assessed verbally through recorded discussion with your assessor via Zoom.

How long does this NVQ take to complete?

It is expected that candidates on this fast-track (discussion-based) assessment route will complete the qualification within 4 weeks, although you have 12 months in to complete the qualification.

What are the entry requirements?

No prior qualifications are required in order to apply for this NVQ. Candidates will however have to complete a telephone profiling session with their assessor before being approved to enrol onto the qualification. This is to ensure that they have the skills, knowledge, experience and confidence to be successful on this fast-track assessment route. There is no charge for this profiling session.
